Continuation of Substance of Interview including description of the general nature of what was discussed:

The examiner discussed minor substantive changes in independent claim 1 with the applicant's attorney. In addition, the examiner also discussed minor changes in dependent claims 6, 7, and 8 with the applicant's attorney in order to make the language used in these claims consistent with the newly added language in base claim 1. After consulting with his client, the applicant's attorney agreed to all of the changes proposed by the examiner to place the claims in a condition for allowance. The specific changes are documented in the attached Examiner's Amendment.
